

Meet the speaker

UGE 25

Gunhild Stordalen is coming to Organic Summit 2025.

Founder and director of the EAT Foundation, Gunhild Stordalen, will come to Denmark in August when she attends the international conference Organic Summit 2025. Gunhild Stordalen's EAT Foundation is behind the groundbreaking EAT Lancet report, which garnered worldwide attention with its recommendations for a more plant-based diet to feed a steadily growing global population and protect our planet.

Gunhild Stordalen will conclude the Organic Summit with her speech on Tuesday, August 19, 2025.
