

25% organic by 2030.  
Ambitious? Yes.  
Urgent? Absolutely.

OS25 is a two-day international summit in Copenhagen that brings together farmers, researchers, businesses and policymakers from across Europe.

OS25 is where strategies align, challenges are unpacked, and real commitments take shape. From public procurement to transparency in the marketplace - OS25 is about structural change.

Denmark // Copenhagen // August 18 -19
